

## Warranty:

All Lake Image Discovery systems are supplied with a standard warranty for the period of 12 months from the date of delivery.

If the system fails please contact your local support team with a detailed fault report. They will attempt to diagnose the fault, and either remotely fix the issue, or request that components, or the entire system is returned to the local service point for repair. Within warranty all repair will be free of charge.

If on site repair is required, the labour time, travel and expenses shall be charged at our standard daily rate.

## Hardware

All maintenance options cover the hardware specifically supplied as part of the Lake Image Discovery system:

- Chassis/ PC processor
- Screen/ Keyboard
- Camera/Scanner
- LED lighting units (not fluorescent or halogen)
- Cables

Any parts not supplied by Lake Image, or damaged through mis-use, or modified by the user in any way will not be included.

## Software

Any bugs identified within the warranty period shall be fixed free of charge, or a workaround will be provided. A bug is identified as a system failure preventing its normal use for its original application.

Any applicable software updates can be provided as per terms of the chosen maintenance option. Any hardware necessary to enable a software update shall be charged at our standard rates.

## Phone Support:

All on line, email and phone support is included within the various contract options. Please provide your maintenance contract reference number, and serial number of the system requiring support when requesting service.

## Equipment Return:

Any equipment being returned to the service point (Lake Image facility) must be accompanied with an SR (Service Report) authorisation reference number. If you have not been issued with an SR number during the process of fault diagnosis and support, please contact Lake Image service team. ([Service@lakeimage.com](mailto:Service@lakeimage.com))

All shipping/transport costs from Customer to Lake Image will be at the Customers expense. All return shipping costs back to the Customer site will be at Lake Image expense.
