### LAKE IMAGE SYSTEMS, INC. TERMS AND CONDITIONS OF SALE

1. Contract - Entire Agreement. These terms and conditions and the additional terms, conditions and specifications attached hereto (the "Contract") contain the final and entire contract between LISI and Buyer, and no representation, affirmation of fact, course of prior dealings, promise or condition in connection therewith, course of performance or usage of the trade not specified in this Contract shall be binding on either party. In no event shall transactions be subject to any affirmation of fact or promise which relates to the application, performance or description of the products or services unless such affirmation of fact or promise is in writing and signed by one of LISI's authorized representatives or is confirmed by LISI's signed acknowledgment. Any terms and conditions of any purchase order or other form or document issued by Buyer, irrespective of their materiality, which are either different from, or additional to, the terms and conditions expressed herein are objected to and excluded and shall not be binding on LISI unless expressly agreed to in a written acknowledgment issued by LISI, and performance shall not constitute agreement to any such different or additional terms or conditions. No agreement or other understanding purporting to add to or to modify the terms and conditions of the Contract shall be binding upon LISI unless agreed to by LISI in writing.

2. Time of Completion/Delivery. Completion/delivery dates are approximate and are based upon prompt receipt by LISI of all necessary information and cooperation. LISI shall use commercially reasonable efforts to complete the services and/or deliver the products on the date(s) set forth in this Contract but LISI shall not be liable for any delay in completion or delivery. Unless otherwise indicated in this Contract, all shipments hereunder shall be FCA LISI's facility at 205 Summit Point Drive, Henrietta, New York 14467 (Incoterms 2010). Risk of loss of, or damage to the products shall pass to Buyer upon delivery thereof to the carrier. If Buyer shall require postponement of shipment beyond the date(s) specified in this Contract, and if LISI consents to such postponement, Buyer shall nonetheless pay the contract price on the date due (being the same date such payment would have been due if there had been no postponement). Buyer shall in addition pay on demand all storage charges resulting from such postponement and, notwithstanding any provision of the contrary herein contained, the risk of loss of, or damage to, the products whose shipment has been postponed, shall pass to Buyer upon the delivery date specified in this Contract. Buyer may not under any circumstances return the delivered products to LISI without the prior written consent of LISI.

3. Price - Payment. LISI's price or rates shall be as specified in this Contract. Unless otherwise stated in the Contract, payment shall be net 30 days of LISI's invoice. If Buyer uses a credit card to make any payment pursuant to this Contract, the price shall be increased by the amount of the credit card processing fee paid by LISI with respect to that payment. LISI reserves the right to refuse delivery except for cash, including payment for all products previously delivered, and to stop delivery, whenever, in the sole discretion of LISI, there is doubt as to Buyer's responsibility. A finance charge equal to the lesser of 1% per month (equivalent to 12% per annum) will be charged on all past due balances. In addition, if Buyer shall fail at any time to make any payment when due hereunder or otherwise to fulfill this Contract, LISI may, without prejudice to other lawful remedies, (i) defer further deliveries or other performance by it under this Contract until all such defaults by Buyer have been fully cured, or (ii) cancel this Contract. If LISI permits cancellation of

an order before delivery, Buyer shall pay a restocking charge equal to twenty percent (20%) of the order price within 30 days of LISI's invoice.

4. Additional Charges. All prices are exclusive of any applicable federal, state or local duty, sales use, excise or other similar taxes, now in effect or here after imposed. All such taxes shall be for Buyer's account and shall either be paid directly by Buyer or added to the price herein provided. In the event that the price of any product includes transportation charges, any increases or decrease in transportation charges shall be for Buyer's account.

5. Limited Software License. LISI's product includes integrated, proprietary software (the "Software"). LISI hereby grants to Buyer a non-exclusive license to use the Software solely as part of LISI's product. Buyer shall not reproduce, modify, translate, reverse engineer, decompile or disassemble any of the Software. The Software may not be transferred or assigned except as part of the transfer of the entire LISI product.

7. Buyer's Remedies. In the event any product or service furnished hereunder is found not to conform to any warranty expressed in this Contract, LISI will, at its option, either (a) re-perform such service or repair or replace such product, or (b) repay the contract price herein of such service or such product upon its return by Buyer to LISI. LISI's delivery hereunder of any product(s) or service(s) not in conformity with this Contract shall not constitute a breach of this Contract and shall not affect Buyer's obligations with respect to any other products or services furnished hereunder. Buyer's remedies shall be limited exclusively to re-performance, replacement or repayment, as LISI may elect in its sole discretion. Return and shipment of products to LISI for repair or replacement shall be at [LISI's] expense and risk. Shipping materials must be comparable to those used by LISI to ship its products. If LISI determines that a repair or replacement is covered by LISI's warranty in Section 6, LISI shall pay the cost of shipping the product back to Buyer.
